Hi Sabrina,

~

We are working on a binder for the President to support him in meetings this afternoon. Lynne is suggesting you review the attached and advise speaking points on port hardening.

~

Can you please advise by 12:30 if you have any changes to make? Ou should have access to the link below, but sharing as an attachment in case.

~

Thanks

Emilie

Hey Tila,

~

Can we plan for 12:00 instead? It looks like there is a DMOC and IRG this afternoon and we are not sure which is coming first. If any updates are required throughout the afternoon I can swap documents for more recent copies.

~

Thanks

Emilie

Hi Emilie,

~

I noticed that Dan sent some items to be included in today's binder and I reviewed yesterday's binder so it is safe to assume that the binder will contain the following for today;

~

- ~ Updated Speaking Points
- ~ A document with volumes as a separate page (provided by Dan this morning)
- ~ Most recent BLUF
- ~ Map (provided by Dan this morning)

~

I'm also assuming you would need this by 1pm

~

Thanks!

Tila

Please find attached the version of the DMOC binder that went up. Can you please send me the link in Apollo and I can add this and the updated DM speaking points as new versions?

\~
Thanks
Emilie

Hi,
\~
There is DM briefing this afternoon at 3:00.
\~
Please prepare a binder which includes the following:
\~
-~ Updated Speaking Points
-~ SPB Action Tracker (please use version from yesterday – I will check if VPO has an update)
-~ Most recent BLUF at the time the binder is due (which will probably be the 1300 – however, I can swap out whatever you add)
-~ A document with volumes as a separate page
-~ The chart of enhanced vigilance exams on one page

\~
If I could also have the Apollo links to the latest drafts of the OBs (IRPA and Participating in a Prohibited Public Assembly) so that we may add them if required.

\~
BF to DGO at 1:00.
\~
Thank you
Emilie
